What the #\$*! Do We Know!? (What the Bleep Do We Know!?)

2004, 146 minutes, available on Netflix

When she's thrust from her mundane life into an unfamiliar world, Amanda must develop an all-new perception of her surroundings and the people she interacts with in this quirky film that explores neurological processes and quantum uncertainty.

I haven't seen this one but others have mentioned that it is good and relates to the worldview information in the first chapter.
