

Chapter 5. People as Village Farmers: The Agricultural Wave

Chapter 5. F. Maps

Atlas of World History, Wikipedia http://commons.wikimedia.org/wiki/Atlas_of_world_history

Several maps show the continuity of hunting gathering, chiefdoms, pastoralists, and simple agricultural societies at different times in world history beginning 2000 BCE. These maps are good visual reminders of the continuity of these ways of living as opposed to the number of urban societies at the time.
